## Class Curriculum

This is a special five day (36 hour) training program designed for Law Enforcement Investigators, Vice Units, Narcotics Units, Gang Units and Patrol Officers who participate in street level enforcement and undercover narcotics/vice/gang investigations. This specialized training will detail how to conduct undercover narcotics, prostitution reverse sting operations and long term gang investigations. The conference will cover "Sneak and Peek" search warrants, which can be utilized in massage parlor investigations as well as other narcotics related businesses. Case studies will detail the legal aspects of obtaining these specialized warrants and how to covertly install the technical monitoring systems. Investigators will also learn how to work and manage cases on Strip Clubs, Massage Parlors and Escort Services. The Tactical Narcotics Techniques class will show Investigators how to conduct short term operations on area's plagued with narcotics and prostitution activity. Agencies will be shown how to set up and run undercover storefront locations for narcotics and vice operations as well as initiating and running long term street level narcotics investigations.. Tactical operations and planning are high risk area's of training that are often over looked in training. Tactical operations and planning will be covered extensively during this training. Narcotics reverse sting operations are one of the most important tools for narcotics investigators to attack DTO's. Outlaw Motorcycle Gangs are very active in the narcotics trade and in organized crime activities. Numerous case studies will be included in the training on how to deal with OMG's. This is a must see training for law enforcement personnel who participate in specialized and covert operations.
