On-line Workshop-*The Basic Skills*

Direct & Cross Examination, Preparation, Credibility

Date: June 23 , 2021

Hosted by: MAGLOCLEN

Time: 9 AM -1 PM

Cost: \$125 per Student

Stay Trained - Stay Distant - Digital Classroom

Officers testify at various phases of criminal cases and the stakes are always high. Cases are won or lost on the quality of the testimony of law enforcement officers. All of the effort and hours put into a good investigation can be destroyed by bad testimony.

Officers will learn how to **de-escalate** testimony and respond effectively to attacks on police credibility in today's highly charged environment.

The Basic Skills of this course offers meaningful training on how to answer the questions government lawyers ask on direct and defense lawyers ask during cross-examination. Officers will learn how to better prepare for giving testimony under oath. The critical importance of officers' attitude and demeanor when they take the stand will be addressed.

Officers enrolling in the virtual platform will experience the same course content as the in-person format. This version requires that you use a laptop/computer with a microphone and a camera.

No phones or tablets.
